Genesee County Land Bank 2014 Annual Review (cont.)

Eliminated blight on more than 15,500 vacant properties:

- ◇ Demolished 1,619 blighted structures.
 - ◇ 1,602 blighted residential structures demolished
 - ◇ 17 blighted commercial structures demolished
- ◇ Removed 1,078 tons of waste from vacant and abandoned properties.
- ◇ Mowed more than 12,000 vacant properties in Flint and the surrounding communities.
 - ◇ ~10,000 located in the City of Flint
 - ◇ ~2,000 located in the out County
- ◇ Supported community groups in mowing, boarding and gardening vacant properties through the **Clean & Green** Program.
 - ◇ 51 community based groups cleared and maintained 2,000 vacant properties
 - ◇ More than 13,000 vacant property mowings completed
 - ◇ 10 Groups secured 100 vacant houses with boards painted to look like windows
 - ◇ 146 youth participants

We would not have achieved these results without the support of our partners, including residents, community groups, institutions, non-profits and local, state and federal government. We appreciate your continued commitment to work with us to return problem properties to productive re-use.

We look forward to our continued work together to make Flint and Genesee County a more vibrant place to live and work.
